

PARK RULES FOR LAIRHILLOCK PARK

Preface

In these rules:

- "occupier" means anyone who occupies a park home, whether under an Agreement to which the Mobile Homes Act 1983 applies or under a tenancy or any other agreement
- "you" and "your" refers to the homeowner or other occupier of a park home
- "we" and "our" refers to the park owner.

These rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

With one exception the rules also apply to any occupiers of park homes who rent their home. The only rule which does not apply to occupiers who rent their home is rule 31 about the colour of the exterior of the home, as someone renting their home would not be responsible for exterior maintenance.

None of these rules is to have retrospective effect. Accordingly:

- they are to apply only from the date on which they take effect, which is 2nd April 2015 and
- no occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date.

These rules do not apply to the park owner and their family.

Condition of the Pitch

1. For reasons of ventilation and safety you must keep the underneath of your home clear and not use it as a storage space.
2. Hedges must not exceed 1 metre in height.
3. You must not make improvements to the pitch unless you have obtained our prior written approval (which will not be unreasonably withheld or delayed).
4. You must not have external fires, including incinerators. Gas barbeques are permitted but these should not be held within the separation distances between mobile homes. Occupiers must observe the appropriate safety measures at all times.
5. You must not keep inflammable substances on the park except in quantities reasonable for domestic use.
6. You must not keep explosive substances on the park.

Storage

7. You must not have more than one storage shed on the pitch. Where you source the shed yourself the design, standard and size of the shed must be approved by us in writing (approval will not be withheld or delayed unreasonably). You must position the shed so as to comply with the park's site licence and fire safety requirements. The footprint of the shed shall not exceed 2m x 2m.
8. You must not have any storage receptacle on the pitch other than the shed mentioned in rule 6 and any receptacle for the storage of domestic waste pending collection by the local authority.
9. You must ensure that any shed or other structure erected in the separation space between park homes is of non-combustible construction and positioned so as to comply with the park's site licence conditions and fire safety requirements. The separation space is the space between your park home and any neighbouring home.

You must not use the park home, the pitch or the park (or any part of the park) for any business purpose, and you must not use the park home or the pitch for the storage of stock, plant, machinery or equipment used or last used for any business purpose. However you are at liberty to work individually from home by carrying out any office work of a type which does not create a nuisance to other occupiers and does not involve other staff, other workers, customers or members of the public calling at the park home or the park.

Note

These rules do not have retrospective effect. If the keeping of the pet complied with the previous rules, an occupier will not be treated as being in breach when these rules take effect. However, when the pet dies or leaves it can only be replaced if this would comply with these rules.

16. A new homeowner may come onto the park with not more than one dog or cat (other than a dog of any of the breeds subject to the Dangerous Dogs Act 1991) which they already own and may keep for as long as they wish but they shall not be permitted to replace the pet or acquire another pet.
